W207569

Transmittal Number

449783

Facility ID# (if known)

**PERMIT NO. W207569**

**ATTACHMENT A**

**SPECIAL CONDITIONS**

1. **Precision Lithograining Corporation** located at **749 New Ludlow Road, South Hadley Massachusetts** (the “permittee” ) is authorized to discharge pretreated industrial wastewater to the Town of South Hadley sewer system.
2. This Permit expires five (5) years from the date of issuance. The permittee shall apply for a renewal of this Permit at least 90 days prior to the expiration date in accordance with 314 CMR 7.09 (3)(b)
3. This Permit is subject to obtaining approval of any other applicable federal, state or local authority that may have jurisdiction.
4. The permittee shall comply with the Town of South Hadley Pretreatment Program, Local Limits and Sewer Use Regulations.
5. Concentrated chemicals and hazardous materials/wastes are prohibited from being discharged to the sewer.
6. No person owning, maintaining or using a sewer connection shall discharge or allow the discharge of wastewater through such connection which would result in a hazard to the public health or safety or a violation of the provisions of 314 CMR 7.00 or 12.00.
7. Industrial wastewater discharged from this site shall be in compliance with the EPA General Pretreatment Regulations for Existing and New Sources of Pollution (40 CFR 403) and all Categorical Pretreatment Standards that apply to your Facility, the Town of South Hadley Sewer Use Ordinance and Industrial Pretreatment Program (“IPP”), and any discharge Permit issued by the Town of South Hadley, and the local effluent limitations established therein. The most stringent limitations shall prevail.
